Embroidery Digitizing Services

At **ZS Digitizing**, we convert your artwork into high-quality embroidery files with precision, clean stitch paths, and excellent machine performance. Our digitizing ensures smooth production with minimal thread breaks and perfect finishing.

What We Offer

✓ Left Chest Logo Digitizing
✓ Cap & 3D Puff Digitizing
✓ Jacket Back Designs
✓ Appliqué Digitizing
✓ Complex & Detailed Logo Digitizing

Why Choose Us?

- ✓ Clean and optimized stitch paths
- ✓ Minimal trims & thread breaks
- ✓ Fast turnaround (4–12 hours standard)
- ✓ Compatible with all major embroidery machines
- ✓ Free minor revisions

File Formats We Provide

DST | PES | JEF | EXP | VP3 | EMB | XXX & more

Whether you are an apparel brand, embroidery shop, or promotional company, we deliver production-ready files you can trust.

Professional Vector Art Conversion

We convert low-resolution images into high-quality scalable vector files suitable for printing, branding, and promotional use.

No more blurry logos. We recreate your artwork with precision and clean lines.

Our Vector Services Include:

✓ Raster to Vector Conversion
✓ Logo Redrawing & Recreation
✓ Screen Printing Artwork
✓ Color Separation

✓ Print-Ready Artwork Setup
✓ Large Format Artwork

Why Work With Us?

- ✓ 100% manual vector tracing (no auto-trace tools)
- ✓ Crisp, scalable artwork
- ✓ Print-ready AI, EPS, PDF, SVG files
- ✓ Fast delivery
- ✓ Unlimited size scalability without quality loss

Perfect for screen printers, apparel brands, promotional product companies, and marketing agencies worldwide.

Custom Patches

At **ZS Digitizing**, we produce premium-quality custom patches designed for durability, sharp detailing, and professional finishing. Whether you need patches for uniforms, brands, events, or promotional use, we deliver high-standard results with worldwide shipping.

Our Patch Options

We offer a wide range of patch styles to match your branding needs:

✓ Embroidered Patches
✓ Woven Patches
✓ PVC Rubber Patches
✓ Chenille Patches
✓ Leather Patches

Each patch is crafted with precision to ensure clean borders, vibrant colors, and long-lasting quality.

Backing Options Available

Choose the backing that suits your application:

✓ Iron-On
✓ Velcro
✓ Sew-On
✓ Adhesive

Why Choose ZS Digitizing?

- High-detail stitching & clean finishing
- Strong, durable materials
- Competitive bulk pricing
- Fast production time
- Worldwide delivery

From small custom runs to large bulk orders, we ensure consistent quality and professional service.
